# “EVERY BATTLE IS WON BEFORE IT IS FOUGHT” MIDDLE CREEK HIGH SCHOOL FOOTBALL 2019

Mustang Football Family,

As we get ready for the 2019 football season, I would like to take this opportunity to convey our coaching staff's enthusiasm for the upcoming season. Our off-season training program has been a great success due to the commitment and hard work of our student athletes. Football is a demanding sport both during the season and especially in the off-season.

One of my favorite quotes, the only one Bill Belichick has in the Patriots' locker room, is from Sun Tzu's classic, *The Art of War*. It says, "Every battle is won before it is fought." In other words, we must prepare now and always be preparing mentally and physically so we can win games in November and December.

There is truly something special about Mustang football. As I enter my tenth season coaching at Middle Creek, I believe the critical difference between what we have here at Middle Creek compared to other places I have visited throughout my coaching career is the people. From the administrative staff, teachers, coaches, parents and players, this is a special place and is something we can all be proud of. Our program over the last four years has been in the upper echelon of the premier programs in 4A football throughout the state. During this time our record is an amazing 45-11. To the best of my knowledge, there are only two teams with more wins in 4A. Also, during the last four years we've helped 34 players reach their goal of playing college football.

We take a lot of pride as coaches in our job, and we couldn't do it without the support and commitment we get from our parents and players to help us be one of the best programs in the state.

Go Mustangs!

You've taken us on  
the ride of our lives.  
We are so proud to  
be your parents. We  
wouldn't trade raising  
you for anything in the  
world.**

**We can't wait to see  
what the future has  
in store for you.  
Hang on tight and  
enjoy your last ride as  
a Mustang.**

*Special thanks to Michelle Chopp for her donated photography and time to create this 2nd edition of The Mustang Football Program.*
